BP Oil Spill: NOAA Modifies Commercial and Recreational Fishing Closure in the Oil-Affected Portions of the Gulf of Mexico

Current revisions to the closure, described below, will be effective on **June 5, 2010 at 6 p.m. eastern time** (5 p.m. central time). All commercial and recreational fishing including catch and release is prohibited in the closed area; however, transit through the area is allowed.

Modeling and mapping the actual and projected spill area is not an exact science. NOAA Fisheries Service strongly advises fishermen not to fish in areas where oil or oil sheens (very thin layers of floating oil) are present, even if those areas are not currently closed to fishing.

The closed area is bounded by rhumb lines connecting, in order, the following coordinates:

<table>
<thead>
<tr>
<th>North latitude</th>
<th>West longitude</th>
</tr>
</thead>
<tbody>
<tr>
<td>30°00’</td>
<td>At state/federal line</td>
</tr>
<tr>
<td>30°00’</td>
<td>86°30’</td>
</tr>
<tr>
<td>28°10’</td>
<td>84°30’</td>
</tr>
<tr>
<td>26°26’</td>
<td>83°47’</td>
</tr>
<tr>
<td>At outer federal line</td>
<td>84°50’</td>
</tr>
</tbody>
</table>

Follow the outer boundary of federal waters northerly to…

The outer federal line 86°16’

26°48’ 86°20’

27°07’ 87°08’

27°35’ 89°54’

27°35’ 90°33’

28°47’ 91°20’20″

At the state/federal line 91°20’20″

Follow the state/federal water line easterly to beginning point

Reminders

If state waters are closed to fishing due to the oil spill, all vessels must comply with that closure. If state waters are not closed to fishing due to the oil spill, federally permitted vessels may fish in those waters while abiding by all other applicable regulations.

Permit holders are reminded to maintain their federal vessel permits by submitting timely reporting requirements and renewal applications, even if the vessel is not currently engaged in fishing activities.
Ways To Receive Closure Information:
- Southeast Fishery Bulletins: to sign up send an email to: SERO.Communications.Comments@noaa.gov
- Call 1-800-627-NOAA (1-800-627-6622) to hear a recording of the current coordinates
- Listen to NOAA Weather Radio for updates
- Text messages on your cell phone: to sign up text fishing@gulf to 84469 (for more information visit http://www.deepwaterhorizonresponse.com/go/doc/2931/558107)
- Follow us on Twitter: usnoaagov to get a tweet when the closed area changes
